CREATE A NEW CATEGORY OF AUTOMATION DEVICE

UNIVERSAL AUTOMATION.ORG

Joining UniversalAutomation.org means becoming part of a one-of-a-kind organization sharing a common technology that unleashes innovation.

WHAT IS UniversalAutomation.org

WE ARE

A **community** of users, vendors and academics organized around an independent non-profit association
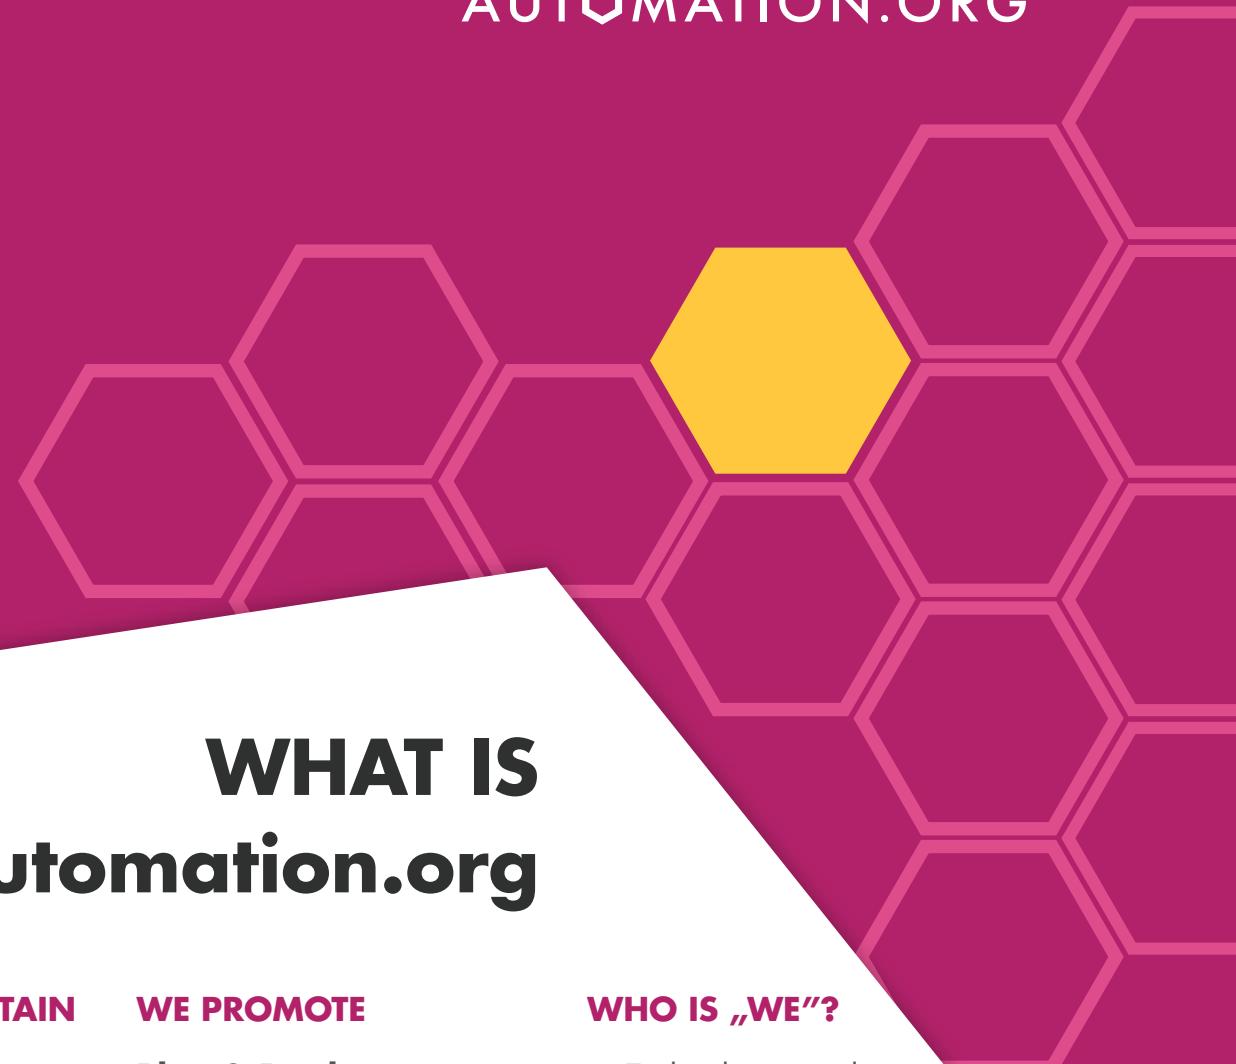

WE USE & MAINTAIN

Universal automation platforms that use a **shared-source IEC 61499 runtime**

WE PROMOTE

Plug & Produce automation using software components developed by universal automation ecosystem

WHO IS „WE"?

- Technology vendors
- Users
- Academics
- Start-ups

WHY should Vendors join UAO?

- Get **access** to key **End Users** looking for IEC 61499-based automation systems

- Obtain **license** for UAO runtime execution engine enabling a creation of a new category of automation device

- **Share R&D costs** with platforming approach

- **Influence** the next **development** of the runtime execution engine

- **Encapsulate** your **IP/know-how** in software components

- Position your company as a **thought-leader/innovator**
