

MAKING SOFTWARE - DEFINED AUTOMATION **OPEN**

Joining UniversalAutomation.org means becoming part of a one-of-a-kind organization sharing a common implementation that unleashes innovation by decoupling software applications from the hardware on which they execute.

UNIVERSAL
AUTOMATION.ORG

WHAT IS UniversalAutomation.org

WE ARE

A **community** of users, vendors and academics organized around an independent non-profit association

WE USE

We develop a common implementation of the **IEC 61499** standard

WE PROMOTE

Portability of vendor-independent automation application **software**

WHO IS „WE“?

- Technology vendors
- Users
- Academics
- Start-ups

WHY should Users join?

- ✓ **Encapsulate your IP/know-how**
in vendor-independent software libraries. 
- ✓ **Sponsor the initiative.**
Without users we will NOT attract vendors! 
- ✓ **Influence** the development of a common
IEC 61499 implementation 
- ✓ **Get trained** on the technology and
network with other users.
